

## SMUD'S ENERGY EFFICIENT REMODEL DEMONSTRATION PROJECT

*A PRACTICAL GUIDE THROUGH  
THE MAZE OF ENERGY REBATES!*

*Sacramento Association of Realtors*

*JOIN US FOR LUNCH  
And See New Technology At Work*

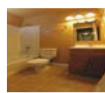

- *See what a whole house energy efficient remodel looks like*
- *Learn how your clients can save up to 60% off utility bills*
- *Talk to SMUD Representatives about new rebate programs*
- *Learn about the most advanced energy efficient measures and state-of-the art technology*

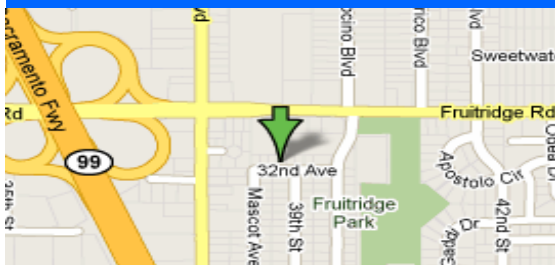

**Tuesday, April 20 - 11:00 - 2:00**

## DEMONSTRATION LOCATION

### 3893 32nd AVENUE

This home is part of the SMUD Energy Efficient Remodel Demonstration Project by SMUD's Customer Energy Efficiency and Customer Research Development department. The energy efficiency measures installed are expected to reduce energy use—electrical and gas—by up to 60%, saving the homeowner up to \$1500.00 per year in utility bills.

Come join us for lunch and see tomorrow's technology, today.  
Lunch will be provided from  
11:00am to 1:00pm
