This seminar is being presented by Duane Gomer Inc., an approved Notary Education Vendor with the Secretary of State. Upon registration you will receive practice exam questions and the State Notary Handbook to review prior to the seminar. This course is designed for everyone - practical training for rookies and an outstanding refresher for renewing notaries.

For renewing your Notary Commission, it is recommended that you take the State Exam at 6-12 months before the expiration to avoid a break in your commission. Processing of commissions takes several months.
