WordPress Websites for Real Estate

Instructor: Kurtis Bieber
CEO / President New Technology Sources

Come learn the value of building a successful website for your real estate business

You will learn:

- How to create a site that will capture and guide the client
- Learn the basics of layout and design
- How to build "Links" and "Link Backs" with social networking sites
- How to encompass RSS feeds to capture quality indexing by Google
- How to properly "title" and "tag" your website to be visible in Google
- Blogging from WordPress

Any photos taken during the course of the event may be used for future advertising or posted on social media. If you do not wish your photo to be published, please inform the Association.

This course is sponsored by the Sacramento Association of REALTORS®. However this sponsorship does not constitute an endorsement of the views or opinions which are expressed by the instructor, authors or lecturers.
