ZipForm® 6 Professional

INSTRUCTOR: David Lovenvirth
C.A.R. Accredited ZipForm® Instructor

Topics Covered:

- **ZipForm® 6 Professional** automatically updates C.A.R. forms, eliminating writing contracts by hand; it provides unlimited transactions accessible from any computer; the program offers import/export transactions and is an ideal system in an office environment with high-speed internet access. Learn about all these and other features.

*E-Signatures included

- **RELAY** is a web-based transaction management system that provides you access to your transactions anywhere, anytime; easy integration with ZipForms® 6 Professional; upload documents including company-special forms and reports; create communication logs; manage multiple-offer situations, and many additional features.

- In addition, use of the following will be covered: **RELAY, ePUBS, DocuSign, Forms Advisor and Forms Tutor.**
