

Enrolling is Simple and Affordable

Through unique partnerships with generous vendors and an NAR grant, SAR is able to bring you this incredible opportunity for a minimal fee of \$15/client.

Enroll new clients and/or long-time clients. Since you will be the primary contact, SAR needs only your client's name. Simply complete the attached form and drop it off at SAR's Membership counter with your payment.

SAR will email you the link and a button you may use on your website to direct clients to www.SacramentoHomeAdvantage.com. Each quarter we will send you a Sacramento Home Advantage informational email that you can forward to your enrolled clients. These emails contain pertinent information and useful coupons that will continually remind them that you are there for them.

As a REALTOR® you are always looking for innovative ways to demonstrate value to your clients.

The Sacramento Association of REALTORS® now makes that task easier.
