INVEST IN THE SAR SCHOLARSHIP PROGRAM

Join us in *planting* the Scholarship Learning Tree. Be one of the first to have your name permanently displayed on a leaf, bird, branch or trunk. The amount purchased will allow you, your honoree, or organization to have a permanent place in the SAR Lobby. All funds contributed will be placed in a lasting endowment to fund future scholarships.

Did you know that SAR gives scholarships to assist family members of the Real Estate Community and Sacramento County? Annually, Sacramento Association of REALTORS® is proud to provide 25+ scholarships in amounts ranging from \$500 - \$2500. Since 2001, 350 students have benefited from the Scholarship Program, receiving awards totaling over \$430,000. Many of these students have gone on to become doctors, lawyers and engineers; what a great investment for our future!

The tree will be unveiled on Tuesday, March 3, 2015 at the Main Membership Meeting.

The SAR Scholarship Foundation Trust is a 501 (c)(3) organization with tax ID number 94-6129111. Your investment/donation is tax deductible. For details, please consult a tax professional.
