Being successful isn't just about selling more homes or serving more clients. It's also about effectively managing your business so that you also can devote time to your personal life. This CRS One-Day Course will provide strategies for creating positive change in your professional and personal lives. Course activities will help you assess your current business, set actionable goals, and develop a plan for how to achieve them. You will create a system that keeps you organized and focused as you take on the various challenges competing for your attention each day.

After completing this course, you will be able to:

- Clarify your current status in the five critical areas of your life
- Design a business that will financially support the life you desire
- Understand various time management principles and techniques as well as the art of time blocking
- Prioritize your life goals and create a plan of action to accomplish those goals

Individuals who take this course will earn 8 CRS Education course credits toward the CRS Designation.
