

Sacramento Association of REALTORS® Leadership Academy Commitment Letter

Your SAR Leadership Academy Team is excited to embark on this journey with you over the next 9 months. As a Student in the Leadership Academy, your participation is important, both for your growth and the growth of your peers. We want this to be a fun, educational and rewarding experience for all. Please read this document, and if you agree to the terms set forth, please sign it and include with your Leadership Academy Application.

If selected to attend the Leadership Academy, I agree to the following terms:

- Attend all scheduled meetings. If I have more than two absences, I may be asked to withdraw from the Academy.
- Actively participate in discussions, team building exercises, Leadership Academy group project, and other activities mentioned on the application.
- Read materials that are provided, and always come to class prepared.
- Turn off your cell phone (not just silenced), and other devices during our meetings (unless you are using them for class activity).
- Refrain from eating during class.
- If we are meeting via ZOOM, keep your camera on, and stay muted unless you are speaking.
- Be engaging of your peers and the leadership team in conversation, but always be respectful and thoughtful. When you are not talking, be a good listener. Your leadership team will run an organized meeting and will always make sure that each person speaking has the full attention of the rest of the group.
- Be prepared to interact with my peers outside of class to collaborate on projects and encourage growth and support.
