

MASTERS CLUB
SACRAMENTO ASSOCIATION OF REALTORS®

MASTERS CLUB STANDING RULES

Purpose of Masters Club

To recognize the top REALTORS® who have met the approved criteria in one of the categories listed below during the prior calendar year.

Mission Statement

The Sacramento Association of REALTORS® Masters Club is dedicated to recognizing the excellence, leadership, and generosity of the region's top real estate professionals. Members must qualify each year to maintain their membership. In addition to strong sales figures, our members demonstrate a commitment to leadership, mentorship, and shaping the future of Sacramento's real estate community. Each year, Masters Club members generously devote their time to volunteering with and raising funds for area non-profits, providing numerous educational and networking opportunities, and contributing to the career development of their fellow SAR members.

Steering Committee

Only Members of the Masters Club may serve on the Steering Committee. Steering Committee Members must have been a Member of the Masters Club for at least 2 years prior to serving on the Steering Committee. If a Member of the Steering Committee does not qualify for Membership the second year for which appointed the position shall be deemed to be vacant. Vacancies on the Steering Committee occurring during a term year will be filled by appointment by a majority vote of the Steering Committee, and the appointed Member will complete the term of the committee Member replaced.

Steering Committee Members may serve a maximum of 4 terms with absence of a term before being allowed to serve on the Steering Committee again, excluding officers and ex-officio Members.

All Committee Members agree to be subject to the SAR Administrative Screening Policy at the general administrative screening level including: (1) the Steering Committee Member shall not have been found in violation of the Code of Ethics or Membership duty within three years of the date of the screening; (2) the committee Member shall be current in all financial obligations to SAR. Each Committee Member is strongly encouraged to contribute to the REALTOR® Action Fund at the \$148 level for the year of screening, and to continue to do so for each year of service. Steering Committee Members may miss no more than 25% of regularly scheduled meetings per year. Absences above those allowed may subject a Member to removal from the Committee by action of the President, subject to ratification by a majority of the remaining Steering Committee Members.

Appointment of Steering Committee

In addition to the President, President-elect, Secretary/Treasurer and Immediate Past President, the Masters Club Steering Committee shall be made up of 16 Members appointed for two-year terms. Appointments will be made in March of each year, with at least one-half of the non-Officer Members being appointed each year. No more than five Members may be associated with any one company (Immediate Past President excluded). The appointments to the Steering Committee shall be selected from a list of current Members.

Appointment of Officers

The current Masters Club Officers shall place at least one nominee for each of the offices (President-elect, Secretary/Treasurer) on a slate for consideration and appointment by the Steering Committee in March of each year, or as soon thereafter as a meeting may be held. The nominees selected to run for office must have been current Steering Committee Members for a minimum of two years. Appointed Officers shall serve a one-year term and serve until their replacements are appointed.

Budget and Finance

The dues collected by the Masters Club shall be used for any club-related functions, including postage and correspondence and administrative fees charged by SAR. Consideration will be given to any excess dues at the end of the year being contributed to charitable organizations. The Masters Club Steering Committee makes decisions on the allocation of funds. An annual financial statement will be prepared and submitted to the SAR Board of Directors for review.

Life and Outstanding Life Members who do not meet the club criteria for the current Membership year must pay the annual dues in order to advertise as a Masters Club Member, use the logo, and keep their Membership level. Paying “dues only” will not count as an eligible year for advancement to the next type of membership. Dues only Membership may be paid at any time during the calendar year.

Presidential Members will be given complimentary membership and may continue to advertise as a current Member as long as REALTOR® membership is maintained at SAR.

Lapses in Membership

Members who have not paid their dues for a period of three (3) years lose their Masters Club Membership status and would start over if returning to membership.

Recognition of Members

Only approved Members for the current qualification year will be recognized at the annual awards event and in local media publications and SAR news media. Only Members who have achieved club criteria for the current year may order plaques or year plates for that year. Recognition of Reciprocal Members will be through their use of the appropriate logo, and the inclusion of their names on all lists of SAR Masters Club Members.

Eligibility

THE APPLICANT MUST BE A LICENSED REAL ESTATE AGENT OR BROKER and a REALTOR® in "good standing" with the Sacramento Association of REALTORS® both at the time of application, and during the year for which they are applying for SAR Masters Club Membership. "Member" as used in these rules refers to someone who is a REALTOR® in good standing at all times and has qualified for the current SAR Masters Club year. Members that have been approved but subsequently have their SAR membership suspended or terminated or are no longer qualified under the Administrative Screening Policy will relinquish their Masters Club membership status for the remainder of that year

Criteria for Approval

1. Applicant must submit in writing the "closed escrows" in which they have been either the listing and/or selling agent/broker. Applicant will be given 100% credit for a transaction if they represented only a buyer or only a seller in a single transaction. Applicant will be given 200% credit for the sales price if they have represented both the buyer and seller of the closed escrow.
2. If the applicant **shared** in the listing end or the selling end of the transaction with another agent, they can only take credit for the portion that the applicant actually completed. (Example: Applicant (Agent A) shared listing end with Agent B, and Agent C sold the property. Applicant (Agent A) can only take credit for the portion for which they are due, **which may not be less than 50%**).
3. Requests for additional supporting materials must be available for verification upon request of the Masters Club Steering Committee. Failure to furnish records for verification will cause applicant to be disqualified. Falsification of records of sales credit will result in the individual's disqualification from further participation in the Masters Club.
4. Both MetroList® and non-MetroList® California sales may be counted. A closed escrow must be recorded during a calendar year to be counted. Applicant may only submit transactions where they were the agent of record and an agency relationship has been confirmed.
5. Transactions not on the MetroList® Masters Club Report shall be considered a non-MetroList® transaction. To receive credit for a non-MetroList® transaction, a *Masters Club New Home & Non-MetroList® Sales Verification* form, with the required documentation, must be submitted with the application for each non-MetroList® transaction.

Team Transactions

“Teams” as used in these Standing Rules, are sets of individual agents or brokers who work together on transactions. Each team member must qualify individually and be approved for Masters Club in order for that team to market themselves as Members of Masters Club for that qualifying year.

Preparation of Application

1. A Masters Club application form certified by the applicant.
2. The MetroList® Masters Club Report
3. If the MetroList® Masters Club Report does not provide a total amount of credit, an excel spreadsheet must be used to add in any non- MetroList® sales to total the amount of credit due.
4. Masters Club annual dues as well as any payments for plaques, year plates and late fee as appropriate.
5. EACH new home/non- MetroList® sale must be submitted on the Excel spreadsheet along with the *New Home/Non- MetroList® Sales Verification Form* and must include the proper documentation as indicated on the form. (Copies of the form may be made for each entry.)

Application Deadline

Applications for the current calendar year may be completed online or dropped at or mailed to the SAR, 2003 Howe Ave., Sacramento, CA 95825, beginning in November of each year. All applications must be received by the Masters Club Liaison or SAR staff **no later than the last day of January by 4:30pm.**
